Profile

My experience as a Content Migrator provided me with the skills and knowledge necessary to be an effective content editor, utilizing my expertise in frontend development to manage website content migration with ease.

Employment History

Frontdesk Manager, Cape Town

AUGUST 2016 – NOVEMBER 2021

As a Front Desk Manager at Stay Easy Century City, I successfully managed the front desk operations and ensured guest satisfaction. I developed valuable skills in leadership, time management, and people skills, which contributed to my ability to effectively manage a team and maintain a high level of guest satisfaction. Overall, my experience as a Front Desk Manager demonstrated my ability to excel in a fast-paced environment and provided me with valuable skills that will continue to be applicable in my career.

Content Migrator , Cape Town

FEBRUARY 2022 – APRIL 2023

As a Content Migrator at Rogerwilco, I managed website content migration using my proficiency in frontend development, including HTML, CSS, and JavaScript. Through this experience, I developed valuable skills in attention to detail, organization, and communication, which contributed to my success in efficiently editing and managing website content. Overall, my experience as a Content Migrator demonstrated my ability to excel in frontend development and be an effective content editor.

Education
